Book Review

Wendy Doniger, *Redeeming the Kamasutra*. New York: Oxford University Press, 2016. Price: \$ 24.95. Hardback. 182 pages.

Wendy Doniger, Mircea Eliade Distinguished Service Professor of the History of Religions at the University of Chicago, and arguably the *doyenne* of Sanskrit literature and Hindu religion, has produced another of her signature work of translation and exegesis of the much misunderstood (and abused) Hindu erotology, the *Kāmasūtra* of Mallanāga Vātsyāyana (*fl. c.* 4th century BCE) —at once a handy no-nonsense academic work for lay readership and a serious discourse (albeit with the familiar “twinkle of Doniger’s” prose) on this ancient book.¹ She intends to carry out a number of corrections in the work of the pioneering English translator the great Victorian Orientalist Sir Richard F. Burton (Burton 1883), compare and contrast the *Kāmasūtra* with an even older treatise, the *Arthashastra* (*c.* 3rd century BCE) of Cānakya Kauṭilya *c.* 350-275 BCE), Emperor Chandragupta Maurya’s (*r.* 320-296 BCE) mentor and minister, and thus demonstrate the relevance of Vātsyāyana in the postmodern present. Doniger’s primary objective is somewhat political as well as polemical. Responding to the current rise of Hindutva movement, she declares: “This made me realize how important it was to try to remind contemporary Indian readers that the *Kamasutra* was an occasion for national pride, not national shame, that it was a great and wise book, not a dirty book” (12).

In clear and crisp prose, the author provides a new reading of the *Kamasutra* that (i) brings out the closeted erotica into open, (ii) debunks all detractors of human sexuality, and above all,

¹The quoted phrase is borrowed from Christine Fears (April 7, 2011). Online: eroticreviewmagazine.com/review/kama-sutra (accessed 6/14/2017).
